Subject: Standard updates – **ASTM F838-2015ae1**

Dear Valued Listee,

This letter is being sent as a courtesy to inform you that the following standard has an updated version that has recently been adopted by IAPMO R&T:

Previous Edition	Current Edition	Standard Title	Adoption Date
ASTM F838-2015ae1	ASTM F838-2020	Determining Bacterial Retention of Membrane Filters Utilized for Liquid Filtration	7/14/2025

Strikeouts of revised IAPMO Standards can be purchased through the IAPMO Online Store at www.IAPMOstore.org. Summaries of changes for standards developed by other standard development organizations can be downloaded at no cost through IAPMO's Standards Department website at <https://www.iapmostandards.org/>.

If any of the changes to the standard impacts your currently listed products, your project engineer will be in contact with you during your annual renewal.

We thank you for your continued support, and please let me know if you have any questions.

Sincerely,

Erin Ortegel
